Introduction

The Visa Rules

The Visa Core Rules and Visa Product and Service Rules

Introduction to the Visa Core Rules and Visa Product and Service Rules

Visa has established rules that are designed to minimize risks and provide a common, convenient, secure, and reliable global payment experience while supporting geography-specific rules that allow for variations and unique marketplace needs. They are set and modified by Visa to support the use and advancement of Visa products and services, and represent a binding contract between Visa and each Member.

The Visa Core Rules contain fundamental rules that apply to all Visa system participants and specify the minimum requirements applicable to all Members to uphold the safety, security, soundness, integrity, and interoperability of the Visa system.

The Visa Product and Service Rules contain rules that apply to Visa system participants based on use of a product, service, the Visa-Owned Marks, VisaNet, the dispute resolution process, and other aspects of the Visa payment system. The Visa Product and Service Rules also include operational requirements related to the Visa Core Rules.

The Visa Supplemental Requirements are Visa- or third-party-administered documents or websites that contain requirements beyond the content of the Visa Core Rules and Visa Product and Service Rules (for example: Visa Product Brand Standards, BASE II Clearing Services, Payment Card Industry (PCI) Card Production – Logical Security Requirements).

As a separate company, Visa Europe independently manages the Visa Europe Operating Regulations, which govern activities of Members operating in the Visa Europe Territory.

Writing Conventions

The following conventions apply to the Visa Core Rules and Visa Product and Service Rules:

- “Visa” refers to any Visa Region, office, management, or committee.
- If the singular is used, it means the plural, and the plural means the singular. For example: "A Merchant must ...", means that "All Merchants must..."
- Capitalized words have a meaning defined in the Glossary, except for the names of some Visa products or services, which are capitalized but not defined.
• Defined terms are often combined.

Changes to the Visa Core Rules and Visa Product and Service Rules

Changes to the Visa Core Rules and Visa Product and Service Rules are communicated and identified as part of the "Summary of Changes" for each edition.

Unless an effective date is specified in the text for a change to the Visa Core Rules and Visa Product and Service Rules, all changes are effective on the publication date.

Part 1:
Visa Core Rules
1 Visa Core Rules

1.1 General

1.1.1 Governance

1.1.1.1 Applicability of Rules

All participants in the Visa system are subject to and bound by the Visa Charter Documents and the Visa Rules, as applicable based on the nature of their participation and geography. In the event of any conflicts between the Visa Charter Documents and the Visa Rules, or within the Visa Rules, conflicts will be resolved in the following order of precedence:

- Visa Charter Documents
- Visa Core Rules
- Visa Payment System Operating Regulations – Russia (if applicable)
- Visa International Travelers Cheque Operating Regulations (if applicable)
- Interlink Bylaws and Operating Regulations (if applicable)
- Visa Product and Service Rules
- Visa Supplemental Requirements

Any use of or participation in any Visa services or products not covered in the Visa Rules will be governed by applicable participation agreements and associated documentation.

Previously, rules were contained in the Visa International Operating Regulations, other operating regulations or rules, Extensions, and certificates of incorporation and bylaws of various Visa entities.

The Visa Rules represent modifications and amendments to such existing Visa rules and requirements, which continue in substance and effect except as expressly modified in the Visa Rules. By reorganizing and renaming this body of requirements, Visa does not intend to modify the meaning or enforceability of any Visa published documents, forms, or contracts to which Visa is a party, or any contracts that are required by Visa to include provisions to comply with Visa’s certificate of incorporation or bylaws, operating regulations, or other Visa requirements. Regardless of whether this document or other documents refer to these requirements as the Visa International Operating Regulations or by other prior naming conventions, such references are deemed to refer to and incorporate the Visa Rules.
1.1.1.2 Applicable Laws and Conflicts

Each Member must comply with all applicable laws, regulations, and other legal requirements including, but not limited to, laws and regulations regarding banking, financial institutions, payment systems, foreign currency exchange, money transmission, anti-money laundering, counter-terrorist financing, sanctions (such as those administered by the US Department of the Treasury’s Office of Foreign Assets Control or the Australian Government’s Department of Foreign Affairs and Trade), privacy and security, consumer protection, and trademarks and copyright. Each Member is also responsible for ensuring that any of its affiliates, subsidiaries, third-party agents, Merchants, and any other of its appointed agents participating in Visa’s system comply with all applicable laws, regulations, and other legal requirements. Each Member is encouraged to consult with its own legal counsel to ensure that it is in full compliance with all applicable laws, regulations, and other legal requirements.

A Transaction must be legal in both the Cardholder’s jurisdiction and the Merchant Outlet’s jurisdiction.

In the event of any conflict between the Visa Rules and any applicable laws or regulations, the requirements of the laws or regulations govern.

1.1.1.5 Use of the Visa Rules

The Visa Rules are only to be reviewed or used in connection with Visa payment services and must not be used, modified, copied, downloaded, transferred, or printed in part or in total for any other purpose without the express written permission of Visa.

The Visa Rules govern the relationship between Visa and its Members and their agents. The Visa Rules do not constitute a contract, promise, or representation or confer any rights, privileges, or claims of any kind as to any third parties.

Visa may amend, modify, delete, or otherwise change the Visa Rules at any time. Changes will be reflected in the next edition of the Visa Rules.

Rules that do not have a geography-specific (Visa Region or country) indication in the title or language of a rule apply to all Members unless noted otherwise. Geography-specific rules apply only to the operations of Members within the relevant geography.

A Canada Member must not do anything to cause Visa Canada to violate the Visa Rules.

1.1.1.8 Obligation to Comply with the Code of Conduct – Canada Region

In the Canada Region, all Members must abide by the Code of Conduct for the Credit and Debit Card Industry as it may be amended from time to time and adopted by Visa (the “Code”).

Each Member acknowledges and agrees that Visa may interpret the Code in accordance with any published interpretation bulletins or guidance issued by the Financial Consumer Agency of Canada.

Members must ensure that all participants for which the Member is responsible under the Visa Rules, including participants that interact directly or indirectly with Merchants or Cardholders (including without limitation, VisaNet Processors and Third Party Agents) on behalf of the Member must abide by the Code.

All Members are required, on an annual basis, to submit to Visa:

- By 31 January of each year, an officer's certificate, in the form attached as Visa Canada Member Certification – "Code of Conduct" (Schedule A-1), confirming its compliance with the Code
- By 15 August of each year, a Code of Conduct Compliance Questionnaire in the form required by Visa

A Member that fails to submit a completed officer's certificate or questionnaire as required will be subject to a non-compliance assessment of CAD 100,000 per month of non-compliance.
Visa may, in its sole discretion, charge any Member or Members fees charged to Visa Canada by the Financial Consumer Agency of Canada with respect to compliance with the Code, where such fee is attributable to that Member or its VisaNet Processor or its Third Party Agent.

1.1.1.10 Visa U.S.A., Inc. Member Responsibilities – US Region

A US Member must perform all obligations imposed on Visa U.S.A. Inc. under the Visa Rules that arise out of Interchange or a Transaction resulting in Interchange between the Member and a non-Member of Visa U.S.A. Inc.

The Member must not do anything to cause Visa U.S.A. Inc. to violate the Visa Rules.

1.1.1.11 Definition of a US Domestic Transaction – US Region

A Transaction is considered a US Domestic Transaction if it occurs inside one of the following:

- The 50 United States, including the District of Columbia
- A US military base overseas
- A US embassy or consulate on foreign territory

1.1.2 Local, Domestic, and Regional Rules and Private Agreements

1.1.2.3 Transaction Country Rules (Updated)

Regardless of how an Authorization or Transaction is routed or where it is processed, a Transaction is subject to the applicable Visa Rules affecting the Transaction Country. These rules may be superseded by either Private Agreements or the operating regulations of Group Members.

Private Agreements must exclude Interchange originating from an Airline that participates in the International Airline Program.

A Member must authorize, clear, and settle all International Transactions through VisaNet, including those resulting from the use of restricted Cards outside the country of issuance.
1.1.3 Variances and Waivers

1.1.3.1 Waivers to the Visa Rules (Updated)

Visa may grant a Member’s request for a Waiver to a particular rule or requirement in the Visa Rules if the Member cannot comply for reasons including, but not limited to, any of the following:

- The Member is testing a new Visa product or service.
- The Member is participating in a pilot program.
- The Member is expanding into new market segments or countries or Visa determines a need for a Waiver to expand acceptance, or for other purposes.
- The Member is unable to comply due to circumstances beyond its control, such as:
  - Natural disasters
  - Acts of war

  - Government restrictions due to political unrest
  - Government regulation that contravenes the Visa Rules

If such proof is requested by Visa and the laws or regulations are written in a language other than English, the Member must submit a copy of the applicable laws or regulations accompanied by a certified English translation.

1.1.3.2 Waiver Limitations (Updated)

Each Waiver granted by Visa is unique and limited only to the specific circumstances of the individual request. A Member must not apply a previously granted Waiver to any other future programs or services or consider a previously granted Waiver as determining the outcome of future requests.

Visa reserves the right to amend or revoke any Waiver upon Notification to the Member.

1.1.3.3 Waiver Submission Requirements (Updated)

A Member that cannot comply with a particular rule or requirement in the Visa Rules or the Visa Supplemental Requirements must submit a Waiver request to Visa for approval.

  - The third party does not compete with Visa with respect to Visa or its Members with respect to their Visa Programs
- The Member’s parents or subsidiaries that do not participate in a competing payment program

A Member’s or Visa Merchant Direct Exchange Merchant’s right to use VisaNet is not assignable and its duties are non-delegable without prior written consent from Visa. However, a Member or Visa Merchant Direct Exchange Merchant may use a non-Member VisaNet Processor that has executed and delivered to Visa a VisaNet Letter of Agreement (Exhibit 5A).

A VisaNet Processor or Visa Merchant Direct Exchange Merchant acknowledges and agrees that the VisaNet endpoint connectivity is a Visa asset and not transferable without the express written consent of Visa. A VisaNet Processor or Visa Merchant Direct Exchange Merchant must not transfer its VisaNet endpoint to another Member or Agent. It must notify Visa in writing at least 90 days before the effective date of a change, for example, but not limited to, a sale of all or substantially all of the assets of the operation, acquisition, merger, ownership change, or financial restructuring, and promptly provide Visa with any related information that is requested.

- **Effective 1 January 2016**
  The Acquirer, if the Merchant identified on a Visa Fraud Monitoring Program report in the enforcement period contributed to the origination of the Transaction Receipt for a counterfeit Transaction

For a Transaction Receipt with an illegible or invalid Account Number, an Acquirer must comply with the applicable rules for counterfeit losses if it appears that a Transaction Receipt resulted from the use of either a:

1.11.2.2 Arbitration and Compliance Committee Decision

The Arbitration and Compliance Committee bases its Arbitration or Compliance decision on all information available to it at the time of reaching the decision, including, but not limited to, the provisions of the Visa Rules effective on the Transaction Date and may, at its sole discretion, consider other factors, such as the objective of ensuring fairness. The decision is delivered to both Members and is final and not subject to any challenge, except for any right of appeal permitted in the Visa Product and Service Rules: Dispute Resolution.

1.11.2.3 Arbitration or Compliance Financial Liability

An Arbitration or Compliance decision may result in either:

- The overpayment or underpayment was reported to Visa by the Member.
- Visa discovered that an adjustment was due to the Member.

Visa reserves the right to collect an underpayment from a Member beyond the 2-year period.

In the AP Region, Card service fees paid will be refunded for the most recent quarter. The Member must submit its refund request within 60 days from the close of the quarter in question. For all other fees, the provisions specified above apply.

Any collection or refund does not include interest.
1.12.3 Non-Compliance Assessments

1.12.3.1 Visa Right to Impose Non-Compliance Assessments (Updated)

The Visa Rules contain enforcement mechanisms that Visa may use for violations of the Visa Charter Documents or Visa Rules. The Visa Rules specify the procedure for the allegation and investigation of violations and the rules and schedules for non-compliance assessments.

A Member that does not comply with the Visa Charter Documents or Visa Rules will be subject to non-compliance assessments.

These procedures and non-compliance assessments are in addition to enforcement rights available to Visa under other provisions of the Visa Rules, or through other legal or administrative procedures.

### 1.12.3.3 Determination of Violation of the Visa Rules (Updated)

Determination of a violation of the Visa Charter Documents or Visa Rules may be made based on either:

- The response from a Member to a Notification of investigation and other available information. Visa will determine whether a violation of the Visa Charter Documents or Visa Rules has occurred.
- The Member’s failure to respond to a Notification of investigation and to provide all information requested.

### 1.12.3.4 Notification of Determination of Violation (Updated)

Visa will notify a Member if it determines that a violation of the Visa Charter Documents or Visa Rules has occurred, or if it determines that a violation is continuing to occur, and will specify a date by which the Member must correct the violation. The Notification will advise the Member of all of the following:

- Reasons for such determination
- Non-compliance assessment amount
- Right to appeal the determination and/or the non-compliance assessments for the violation

Visa may require a Member to submit a compliance plan to resolve the violation.

### 1.12.3.5 Non-Compliance Assessment Member Responsibility

A non-compliance assessment is imposed by Visa on a Member. A Member is responsible for paying all non-compliance assessments, regardless of whether it absorbs them, passes them on, or increases them in billing its customer (for example: Cardholder or Merchant). A Member must not represent to its customer that Visa imposes any non-compliance assessment on its customer.

### 1.12.3.7 Repeated Non-Compliance

Repetitive violations of the Visa Rules incur heavier non-compliance assessments or other actions. A violation of any rule qualifies as a repetitive violation only if the violating Member does not correct it by the date specified in the Notification.
1.12.3.8 Non-Compliance Assessments for Repetitive Violations

Non-compliance assessments increase for repetitive violations of the Visa Rules within any 12-month period. The 12-month period begins on the date of the most recent Notification of the violation and ends following a 12-month period free of violations of that rule.

1.12.3.10 Willful Violations of the Visa Rules

In addition to the non-compliance assessments specified in the Visa Rules, a Member found to have willfully violated the Visa Rules, adversely affecting the goodwill associated with the Visa system, brand, products and services, operation of the Visa Systems, or operations of other Members will be subject to a further non-compliance assessment. A violation is considered "willful" if the Member knew, or should have known, or its knowledge can be fairly implied, that its conduct constituted a violation of the Visa Rules.

When determining the amount of a non-compliance assessment, in addition to the criteria above, all of the following will be considered:

- Type of violation
- Nature of the damage, including the amount incurred by Visa and its Members
- Repetitive nature of the violation
- Member history or prior conduct
- Effect of the assessment upon the safety and soundness of the Visa system and the Member, including the Member committing the violation
- Any other criteria Visa deems appropriate

1.12.3.11 Enforcement Appeals

A Member may appeal a determination of a violation or non-compliance assessment to Visa, as follows:

- The Member’s appeal letter must be received by Visa within 30 days of the Member's receipt of the Notification of the violation or non-compliance assessment.
- The appealing Member must submit with the appeal any new or additional information necessary to substantiate its request for an appeal.
- A fee of USD 5,000 will be assessed to the Member upon receipt of the appeal. This fee is refundable if the appeal is upheld.
A Member may submit arguments supporting its position. All decisions are final and not subject to challenge.

5.4.2.5 Prohibition against Requiring Cardholder or Account Data – US Region

A US Merchant or its agent must not:

- Require a Cardholder to complete a postcard or similar device that includes any of the following in plain view when mailed:
  - Cardholder’s Account Number
  - Card expiration date
  - Signature
  - Any other Card account data
- Request the Card Verification Value 2 data on any paper Order Form

5.4.3 Merchant Use of Cardholder Account Information

5.4.3.1 Merchant Use of Account Number or Cardholder Signature

A Merchant must comply with all of the following:

- Not request or use an Account Number for any purpose that is not related to payment for goods and services, except as specified in Section 5.4.3.2, “Use of Visa Account Information for Service Access.”
- Store and reproduce the signature only for the Transaction for which the signature was obtained
- Reproduce the signature only upon specific written request from the Acquirer or in response to a Retrieval Request

5.4.3.2 Use of Visa Account Information for Service Access

A Merchant may use an Account Number for the purpose of providing access to a service only if either:

- The service was purchased using that Account Number.
- The Card is a Visa Prepaid Card and the service was purchased with cash at a Merchant assigned one of the following MCCs:
  - 4111 (Local and Suburban Commuter Passenger Transportation, Including Ferries)
  - 4112 (Passenger Railways)
A Merchant’s use of Visa account information to provide access to a service must be limited to the generation of a secure, irreversible, and unique Access Token both:

- At the time the service is purchased
- At the point of access to verify the Access Token

At the time of purchase, the Merchant must disclose to the Cardholder any restrictions, additional conditions, or customer service policies that may be relevant to the Cardholder’s ability to access the service purchased.

### 5.4.3.3 Access Token Restrictions

A Merchant that uses Visa account information to generate an Access Token must not:

- Require a Cardholder to perform any Cardholder Verification or present identification in order to accept the Visa account information as a means to access the service
- Use the Visa account information, instead of an Access Token, to verify eligibility at the point of access
- Transmit Visa account information except as required for processing an associated Visa Transaction
- Store the Visa account information at the point of access
- Use Visa-Owned Marks at the point of access, unless the point of access is also a Point-of-Transaction

<sup>1</sup> This does not apply to Visa Mobile Prepaid Transactions.

<sup>2</sup> This does not apply to PIN-Authenticated Visa Debit Transactions in the US Region.

<sup>3</sup> In the US Region, if the 4 digits do not match, the Merchant or Acquirer must attempt to recover the Card.

<sup>4</sup> In Australia, if the Cardholder is unable to provide primary identification, the Acquirer may request any 2 of the following forms of secondary identification:

- Any other identity card bearing the Cardholder’s photograph
- Another signed debit or credit card
- Another signed document (for example: employee identity card, union card, student card)
- A pensioner card

<sup>5</sup> This signature may be different from the name embossed or printed on the Card.

### 5.5.2 Cardholder Validation with PIN

#### 5.5.2.1 PIN Acceptance and Processing

A Merchant that uses an Acceptance Device with Electronic Capability may accept a Cardholder’s PIN rather than a signature. The Merchant must not ask the Cardholder to reveal the PIN.
5.6  Surcharges, Convenience Fees, and Service Fees

5.6.1  Surcharges – Allowances, Requirements, Restrictions, Amounts, and Disclosures

5.6.1.1  Notification of Intent to Assess Surcharges – US Region and US Territories

In the US Region or a US Territory, an Acquirer must ensure that its Merchant notifies Visa and its Acquirer in writing at least 30 calendar days before assessing a US Credit Card Surcharge. Notice to Visa can be provided as specified on the "Merchant Surcharge Notification" link at www.visa.com. In the US Region or a US Territory, an Acquirer must inform Visa upon request of all notifications of intent to surcharge received from its Merchants.

5.6.1.2  Similar Treatment of Visa Transactions – US Region and US Territories

A Merchant must not assess a US Credit Card Surcharge on Visa Credit Card Transactions in a specific payment channel if either:

- The Merchant is prohibited or effectively prohibited by a Competitive Credit Card Brand from assessing surcharges on the Competitive Credit Card Brand’s products in that payment channel.

- The Merchant’s ability to surcharge a Competitive Credit Card Brand in that payment channel is limited by that Competitive Credit Card Brand in any manner and the Merchant assesses a US Credit Card Surcharge on conditions that are not the same as the conditions on which the Merchant would be allowed to surcharge transactions of the Competitive Credit Card Brand in that payment channel, or on which the Merchant actually surcharges transactions of the Competitive Credit Card Brand in that payment channel, after accounting for any discounts or rebates offered at the Point-of-Transaction.

This prohibition does not apply and a Merchant may assess a US Credit Card Surcharge on Visa Credit Card Transactions if one of the following:

- The Competitive Credit Card Cost of Acceptance or the Competitive Credit Card Product Cost of Acceptance to the Merchant is less than the Visa Credit Card Cost of Acceptance or Visa Credit Card Product Cost of Acceptance to the Merchant and the Competitive Credit Card Brand does not prohibit or effectively prohibit surcharging credit card transactions.

- The Competitive Credit Card Brand prohibits or effectively prohibits surcharging on credit cards and the Merchant actually surcharges the Competitive Credit Card Brand’s transactions in an amount at least equal to the lesser of either:
  - The Competitive Credit Card Cost of Acceptance
  - The amount of the US Credit Card Surcharge imposed on a Visa Credit Card
There is an agreement between the Merchant and the Competitive Credit Card Brand in which the Merchant waives or in any other way restrains or limits its ability to surcharge transactions on that Competitive Credit Card Brand, provided that:

- The agreement is for a fixed duration, is not subject to an "evergreen clause" (i.e., automatically renewed unless terminated by the parties to the agreement) and is not a standard agreement generally offered by the Competitive Credit Card Brand to multiple merchants.
- The Merchant’s acceptance of the Competitive Credit Card Brand as payment for goods or services is unrelated to and not conditional upon the Merchant’s entry into such agreement.
- The agreement is supported by the exchange of material value.
- The agreement expressly specifies a price under which the Merchant may accept the Competitive Credit Card Brand’s products and surcharge those transactions up to the Merchant’s Merchant Discount Rate for the Competitive Credit Card Brand, after accounting for any discounts or rebates offered by the Merchant at the Point-of-Transaction.

1 This provision does not apply if the Competitive Credit Card Brand prohibits only surcharging for an amount greater than the Competitive Credit Card Cost of Acceptance.

**5.6.1.3 US Credit Card Surcharge Requirements – US Region and US Territories**

In the US Region or a US Territory, a Merchant may assess a fixed or variable US Credit Card Surcharge on a Visa Credit Card Transaction, subject to applicable laws or regulations.

The Merchant may assess a US Credit Card Surcharge by either:

- Applying the same fixed or variable US Credit Card Surcharge to all Visa Credit Card Transactions (brand level)
- Applying the same fixed or variable US Credit Card Surcharge to all Visa Transactions of the same credit product type (product level)

The US Credit Card Surcharge at the brand level must be the same for all Visa Credit Card Transactions, regardless of the Card’s Issuer or the product type, and after accounting for any discounts or rebates offered by the Merchant on Visa Credit Card Transactions at the Point-of-Transaction.

The US Credit Card Surcharge at the product level must be the same for Transactions on a particular Visa Credit Card product type, regardless of the Card’s Issuer, and after accounting for any discounts or rebates offered by the Merchant on Visa Credit Card Transactions on the product type at the Point-of-Transaction.

A Merchant must not assess a US Credit Card Surcharge on Visa Credit Card Transactions at both the brand and product level.
Visa Product and Service Rules

Acceptance

Surcharges, Convenience Fees, and Service Fees

The US Credit Card Surcharge must be included in the Transaction amount.

5.6.1.4 US Credit Card Surcharge Maximum Amount – US Region and US Territories

In the US Region or a US Territory, a US Credit Card Surcharge assessed at the brand level, as specified in Section 5.6.1.3, “US Credit Card Surcharge Requirements – US Region and US Territories,” must not exceed the Merchant’s Visa Surcharge Cap.

In the US Region or a US Territory, a US Credit Card Surcharge assessed at the product level, as specified in Section 5.6.1.3, “US Credit Card Surcharge Requirements – US Region and US Territories,” must not exceed the Merchant’s Visa Credit Card Surcharge Cap less the Debit Card Cost of Acceptance.

In no case may the US Credit Card Surcharge amount exceed the Maximum Surcharge Cap.

5.6.1.5 US Credit Card Surcharge Disclosure Requirements – US Region and US Territories (Updated)

A Merchant in the US Region or a US Territory must, at both the point of entry into the Merchant Outlet and the Point-of-Transaction, clearly and prominently disclose any US Credit Card Surcharge that will be assessed.

The disclosure at the Point-of-Transaction must include all of the following:

- The exact amount or percentage of the US Credit Card Surcharge
- A statement that the US Credit Card Surcharge is being assessed by the Merchant and is only applicable to credit Transactions
- A statement that the US Credit Card Surcharge amount is not greater than the applicable Merchant Discount Rate for Visa Credit Card Transactions at the Merchant

Merchants with Acceptance Devices that offer Cardholder choice for debit Transactions in the form of “credit” and “debit” buttons must ensure that:

- Visa debit Card Transactions are not assessed a US Credit Card Surcharge
- It is made clear to the Cardholder that surcharges are not permitted on debit Transactions regardless whether a Cardholder selects the “credit” or “debit” button

For an Electronic Commerce Transaction, a Mail/Phone Order Transaction, and an Unattended Transaction, the Cardholder must be provided the opportunity to cancel the Transaction subsequent to the US Credit Card Surcharge disclosure.
For example, the requirement for clear and prominent disclosure will be satisfied if the disclosure is made consistent with Table 5-3, “Surcharge Disclosure – US Region and US Territories”:

5.6.1.6 Surcharges in Australia – AP Region

In the AP Region, if an Australia Merchant adds a Surcharge to a Transaction, the Surcharge amount must comply with all of the following:

- Be limited to the "reasonable costs of acceptance" of a Visa Card (or Visa Cards) as that concept is defined by the Reserve Bank of Australia and by applicable laws or regulations
- Not include the cost of accepting any non-Visa payment card
- Be clearly disclosed to the Cardholder before the completion of the Transaction. The Cardholder must be given the opportunity to cancel without penalty after the Surcharge is disclosed.
Visa Product and Service Rules

Acceptance

Surcharges, Convenience Fees, and Service Fees

- Be charged only by the Merchant that provides the goods or services to the Cardholder. The Merchant must not permit a third party to charge a Cardholder a separate or additional amount in respect of the cost of acceptance of the Visa Card, but the Merchant may include third-party costs relevant to accepting a Visa Card as part of its Surcharge.

- Not differ according to Issuer

- Be different for Visa credit Card Transactions and Visa debit Card Transactions if the "reasonable cost of acceptance" varies between the 2 Transactions

- Be assessed only on the final total amount charged for the goods or services, after any discount or rebate from the Merchant has been applied

- Be added to the Transaction amount and not collected separately

1 A government Merchant may collect the Surcharge amount separately and may use a third party to deposit Transactions if it is assigned one of the following MCCs:

- 9211 (Court Costs, Including Alimony and Child Support)
- 9222 (Fines)
- 9223 (Bail and Bond Payments)
- 9311 (Tax Payments)
- 9399 (Government Services [Not Elsewhere Classified])
- 9405 (Intra-Government Purchases)

5.6.1.7 Surcharge Disclosure Requirements in Australia – AP Region

In the AP Region, an Australia Merchant that assesses a Surcharge must do all of the following:

- Inform the Cardholder that a Surcharge is assessed
- Inform the Cardholder of the Surcharge amount or rate
- Not describe the Surcharge as, or inform the Cardholder that the Surcharge is, assessed by Visa or a financial institution
- Include notices, signs, or decals disclosing that the Merchant assesses a Surcharge. Such notices, signs, or decals must be in a conspicuous location or locations at the Merchant's physical point of sale, or, in the absence of a physical point of sale, prominently during an Electronic Commerce Transaction or communicated clearly in a telephone order so as it can be reasonably assured that all Cardholders presenting a Visa Card will be aware of the Surcharge.
- Clearly display or communicate the Surcharge disclosure in the Transaction environment or process, including (if there is a physical point of sale) at the terminal/cashier’s desk. The disclosure must be of as high a contrast as any other signs or decals displayed.
A Merchant in Australia must clearly and prominently disclose any Surcharge that will be assessed. The disclosure at the point of sale must include both of the following:

- The exact amount or percentage of the Surcharge
- A statement that the Surcharge is being assessed by the Merchant

For an Electronic Commerce Transaction, a Mail/Phone Order Transaction, and an Unattended Transaction, the Cardholder must be provided the opportunity to cancel the Transaction subsequent to the Surcharge disclosure.

For example, the requirement for clear and prominent disclosure will be satisfied if the disclosure is made consistent with Table 5-4, “Surcharge Disclosure – Australia”:

### 5.7.2.2 Acquirer Responsibility for Chip-Reading Devices

An Acquirer is responsible for the actions of a Chip-Reading Device that provides improper information and processing decisions to the Chip.

### 5.7.2.3 Deployment of Contactless-Only Acceptance Devices

If a Merchant deploys a Contactless-Only Acceptance Device, it must comply with all of the following:

- Be assigned one of the following MCCs:
  - 4111 (Local and Suburban Commuter Passenger Transportation, Including Ferries)
  - 4112 (Passenger Railways)
Acceptance

Acceptance Devices

- 4131 (Bus Lines)

• Deploy the device only at a turnstile, fare gate, or point of boarding

• Accept all Cards at all other sales distribution channels at the Merchant Outlet. This requirement does not apply to Merchant Outlets that are transit passenger vehicles (for example: buses, ferries, trains).

• Obtain Authorization for the full Transaction amount before Clearing for a Transaction at the device

• Include the following values in the Authorization Request and Clearing Record:
  - POS Entry Mode code 07
  - Terminal type 3/UAT indicator 1 or 3
  - POS terminal entry capability 8

• If it configures the device to always perform offline data authentication before allowing a Cardholder to access its transit services, all of the following:
  - Configure all of its devices in the same transit mode or network to perform offline data authentication
  - Support either real-time or deferred Online Authorization at all turnstiles, fare gates, or points of boarding
  - Support Visa contactless static data authentication and Dynamic Data Authentication

5.7.2.4 PIN-Entry Bypass Prohibition – Canada Region

A Canada Acquirer must ensure that PIN entry on a Compliant Chip-Reading Device with a PIN Entry Device cannot be bypassed by the Acquirer, the Merchant, or an agent of the Acquirer or Merchant.

5.7.3 Unattended Cardholder-Activated Terminals – Transaction Cancellation

5.7.3.1 Acquirer Cancellation of Transactions at Unattended Cardholder-Activated Terminals

If an Unattended Cardholder-Activated Terminal allows an Acquirer to cancel a Transaction, the Acquirer may use this function without Issuer permission only after one of the following:
5.8 Merchant Authorization Requirements

5.8.1 Transactions Requiring Authorization

5.8.1.1 Requirement to Authorize Transactions (Updated)

A Merchant or an Acquirer must request Authorization regardless of the Transaction amount if any of the following:

- The Cardholder presents an Expired Card.
- The Card signature panel is blank.
- The Merchant is suspicious of a proposed Transaction.
- The Card is unembossed and an Electronic Imprint is not obtained.
- The Transaction occurs at a Contactless-Only Acceptance Device, as specified in Section 5.7.2.3, “Deployment of Contactless-Only Acceptance Devices.”
- The Transaction is any of the following:
  - A Cash-Back Transaction
  - A Fallback Transaction
  - An In-Transit Transaction
  - A Mail/Phone Order Transaction
  - A No-Show Transaction
  - A Recurring Transaction
  - A V PAY Transaction
  - A Visa Electron Card Transaction

  - An Automated Fuel Dispenser Transaction
  - An Electronic Commerce Transaction
  - Initiated using a Mobile Payment Acceptance Solution
  - The purchase of a Visa Prepaid Card at an Unattended Cardholder-Activated Terminal
  - In Australia, a domestic PIN-bypass Magnetic-Stripe Transaction
  - In New Zealand, a domestic PIN-bypass Magnetic-Stripe Transaction
Merchant Authorization Requirements

1. Offline Authorization is allowed for Chip-initiated Transactions provided that the Transaction amount does not exceed the Merchant's Floor Limit.
2. This does not apply to a domestic Contactless Transaction in the AP Region (excluding Japan) if the Transaction amount is less than or equal to the domestic Contactless Transaction limit.
3. For a domestic Contactless Transaction in Japan, for amounts above the domestic Floor Limit, Authorization must be Online.
4. Authorization must be Online.

5.8.1.3 Transaction Authorization on the Transaction Date (Updated)

A Merchant or an Acquirer must obtain Authorization on the Transaction Date, except for the following, as specified in the Visa Rules:

- Car Rental Merchant Transactions

The Merchant is not required to check the CRB if any of the following apply:

- The Merchant is in the US Region.
- The Transaction is completed at a Contactless-Only Acceptance Device.
- Transaction occurs at a Chip-Reading Device and qualifies for the EMV liability shift.
5.8.2.3 Authorization of Total Transaction Amount – US Region

In the US Region, an Authorization Request must be for the total amount of the Transaction.

A US Merchant must not, unless specifically permitted in the Visa Rules:

- Use an arbitrary or estimated amount to obtain Authorization

9 Interchange

9.1 General Interchange Requirements

9.1.1 Core Principles

9.1.1.1 Paying or Receiving Interchange

Participating Acquirers and Issuers pay or receive interchange every time a Visa product is used. For example, Acquirers pay interchange to Issuers for purchase Transactions and Issuers pay interchange to Acquirers for cash Transactions and credit vouchers. In the case of a credit or a Chargeback, interchange flows in reverse.

ID# 0007826

9.1.1.2 What is Interchange?

Interchange Reimbursement Fees help to make electronic payments possible by enabling Visa to expand Card holding and use, increasing the places consumers can use their Cards, and providing a financial incentive for all parties to pursue system-wide improvements, such as rewards, innovation, and security. An Interchange Reimbursement Fee is a default transfer price between Acquirers and Issuers within the Visa system. Merchants pay what is known as a merchant discount fee or merchant service fee negotiated with their Acquirer, which may take into account the interchange fee, processing costs, fees for terminal rental, customer services, and other financial services. The merchant discount fee or merchant service fee is negotiated individually with the Merchant's Acquirer; each Acquirer sets its fees independently, in competition with other Acquirers, competing payment systems, and other forms of payment.

Interchange is consistently monitored and adjusted – sometimes increased and sometimes decreased – in order to ensure that the economics present a competitive value proposition for all parties. Interchange Reimbursement Fees must encourage Card holding and use, as well as expansion in the number and types of businesses that accept Cards. If rates are too high, retailers won't accept Cards; if rates are too low, Issuers won't issue Cards. Visa may establish different Interchange Reimbursement Fees in order to promote a variety of system objectives, such as enhancing the value proposition for Visa products, providing incentives to grow merchant acceptance and usage, and reinforcing strong system security and Transaction authorization practices.

- Adjustments will only be made when the total Interchange Reimbursement Fee amount to be corrected is greater than USD 2,500.

- Visa will initiate correcting Fee Collection Transaction (Transaction code 10) and Funds Disbursement Transaction (Transaction code 20) through VisaNet.
- All Visa decisions are final.
- A Member may appeal a decision only if the Member can provide new evidence not previously available and the amount in dispute is greater than USD 5,000.

9.13 Interchange Reimbursement Fee Compliance

9.13.1 Interchange Reimbursement Fee (IRF) Compliance

9.13.1.1 Interchange Reimbursement Fee (IRF) Compliance Filing Requirements

A Member must not file for Interchange Reimbursement Fee (IRF) Compliance unless all of the following:

A violation of the Visa Rules or any applicable regional or domestic Interchange Reimbursement Fee (IRF) guide occurred.

The Member received or paid incorrect IRF as a direct result of the violation by another Member.

The Member’s financial loss is a direct result of an incorrectly applied IRF rate.

The Member would not have incurred a financial loss if the violation had not occurred.

The violating Transactions were processed through VisaNet.

The violating Transactions do not involve a Visa Europe Member.¹

The IRF rate paid or received is not governed by any bilateral or private agreements, either domestic, intraregional, or interregional.

Visa has granted permission for the Member to file.

A Member may aggregate up to 1,000,000 Transactions into a single IRF Compliance case if the Transactions involved the same opposing Member and violated the same operating regulation or the same requirement in an applicable IRF guide. The value of the aggregated Transactions must not be less than the sum of the IRF screening fee and the IRF filing fee specified in the applicable regional fee guide.

Visa may refuse to allow a filing Member to participate in IRF Compliance. The decision by Visa to refuse participation is final and not subject to any challenge.

¹ For a violation involving a Member in the jurisdiction of Visa Europe, a Member must obtain permission from Visa to initiate the Intercompany Interchange Reimbursement Fee Compliance Process.

9.13.1.2 Interchange Reimbursement Fee Compliance Screening

As specified in the Interchange Reimbursement Fee Compliance Process Guide, the filing Member must submit the Interchange Reimbursement Fee Compliance Screening Form to Visa within 90 calendar days of the Processing Date of the oldest Transaction submitted in the claim.

Visa may accept a screening request that is submitted more than 90 calendar days after the Processing Date of the oldest Transaction submitted in the claim if all of the following:

- The violation was discovered within 2 years of the Processing Date of the oldest Transaction submitted.
- The screening request was submitted within 90 calendar days of the discovery of the violation.
- Visa determines that extenuating circumstances prevented the Member from discovering the violation earlier.
Visa assesses a screening fee to the requesting Member for each Interchange Reimbursement Fee Compliance Screening Form submitted, as specified in the applicable regional fee guide.

**9.13.1.3 Interchange Reimbursement Fee Compliance Request Denial**

Visa may deny a Member's request to file for IRF Compliance for any reason, including, but not limited to, the following:

- Visa concludes that a Member's failure to exercise due diligence prevented the discovery of the violation within 90 days from the Transaction Processing Date.
- Visa determines that the assessment of the incorrect interchange amount resulted from an error (intentional or accidental) by the filing Member.
- Visa determines that, contrary to Member certification, some Transactions were assessed the correct interchange amount.

If Visa denies a Member's request to use the IRF Compliance process, the Member:

- Must not resubmit the claim, except as specified in the Interchange Reimbursement Fee Compliance Process Guide
- May use the standard Compliance process, as specified in Section 11.2.3.1, “Compliance Filing Conditions”
- Forfeits the IRF Compliance screening fee

**9.13.1.4 Interchange Reimbursement Fee Pre-Compliance**

If Visa approves a Member's IRF Compliance screening request, the Member must first attempt to resolve the dispute with the opposing Member through the pre-Compliance process.

To initiate IRF pre-Compliance, the filing Member must submit to the opposing Member a properly completed Pre-Compliance Questionnaire through Visa Resolve Online.

If the opposing Member accepts financial responsibility for the disputed Transactions or if the filing Member and the opposing Member reach a settlement, the opposing Member must notify Visa of the outcome and credit the agreed amount to the requesting Member through VisaNet within 30 calendar days of the IRF pre-Compliance correspondence date.

The filing Member may collect the screening fee from the responsible Member.
If the opposing Member does not accept financial responsibility for the disputed Transactions and an agreement cannot be reached between the filing Member and the opposing Member, the filing Member may file for IRF Compliance, as specified in Section 9.13.1.5, “IRF Compliance Filing.”

9.13.1.5 IRF Compliance Filing

If the opposing Member does not accept financial responsibility for the disputed Transactions and an agreeable settlement cannot be reached through the IRF pre-Compliance process, the filing Member may file for IRF Compliance.

For IRF Compliance requests submitted to Visa, the filing Member will be assessed a review fee, as specified in the applicable regional fee guide.

If Visa rules in favor of the filing Member, the opposing Member is financially liable for the:

- IRF Compliance screening fee
- IRF Compliance review fee
- Amount of the claim, or a portion thereof

If Visa rules in favor of the opposing Member, the filing Member:

- Forfeits the IRF Compliance screening fee and the IRF Compliance review fee
- Is prohibited from resubmitting any Transactions from that claim through another IRF Compliance filing

The decision by Visa is final and not subject to any challenge, except as specified in Section 9.13.1.6, “Interchange Reimbursement Fee Compliance Appeal Filing Requirements.”

9.13.1.6 Interchange Reimbursement Fee Compliance Appeal Filing Requirements

Any appeal by the adversely affected Member must be filed through Visa Resolve Online within 45 calendar days of the decision Notification date.

The appealing Member must submit with the appeal any new or additional information necessary to substantiate its request for an appeal.

Visa will collect from the Member an appeal fee, as specified in the applicable regional fee guide.
Visa may decline an appeal if the new information is insufficient to support a change to the initial Visa decision. If the appeal is not accepted, Visa will retain the appeal fee.

9.13.1.7 Intercompany Interchange Reimbursement Fee Compliance

The Intercompany Interchange Reimbursement Fee Compliance Process allows a Visa Inc. or a Visa Europe Member to request Compliance against each other for respective violations of the Visa Rules or Visa Europe Operating Regulations that result in the application of an incorrect Interchange Reimbursement Fee.

The Intercompany Interchange Reimbursement Fee Compliance Process does not replace either the existing Visa Europe Interchange Reimbursement Fee adjustment policy for settling disputes between Visa Europe Members or the Visa Inc. Interchange Compliance process for settling disputes between Visa Inc. Members. The Intercompany Interchange Reimbursement Fee Compliance Process applies only to disputed Transactions between a Visa Inc. and a Visa Europe Member.

The Intercompany Interchange Reimbursement Fee Compliance Process is not available for errors caused by either Visa Inc. or Visa Europe. A Member must obtain Visa approval prior to initiating the Intercompany Interchange Reimbursement Fee Compliance Process.

10.5.3 Chargeback Monitoring

10.5.3.1 Visa Chargeback Monitoring Program (VCMP) (New)

Effective 1 January 2016

Visa monitors Merchant Outlets that generate an excessive level of Chargebacks through the Visa Chargeback Monitoring Program (VCMP).

Visa will identify a Merchant Outlet under the VCMP standard program if it meets or exceeds both of the following monthly program thresholds:

- 100 Chargeback count
- 1% ratio of Chargebacks-to-sales Transaction count

Visa will monitor a Merchant Outlet identified in the VCMP under the high-risk program for any of the following reasons:

- The Merchant is categorized or should be categorized by a high-brand risk MCC, as specified in Section 10.5.6.1, “High-Brand Risk MCCs.”
- For Merchants that are not and should not be categorized by a high-brand risk MCC, the Merchant exceeds the VCMP monthly excessive Chargeback threshold of both:
  - 500 Chargebacks
  - 2% Chargeback-to-sales ratio
- Visa determines that the Merchant caused undue harm to the goodwill of the Visa payment system.
- The Merchant’s Acquirer is subject to risk reduction measures, as specified in Section 1.10.1.2, “Member Risk Reduction Requirements,” for poor Merchant management practices.

Visa may modify or create new monthly VCMP performance levels.

Monitoring includes all Chargeback reason codes except reason code 93 (Visa Fraud Monitoring Program).

Except for certain markets, only International Transactions are included in VCMP monitoring.

A Merchant that is moved from the VCMP standard program to the VCMP high-risk program because it exceeded the excessive Chargeback threshold will continue to be monitored under the VCMP high-risk program until the Merchant exits the VCMP.

A Merchant that is monitored in the VCMP high-risk program because it exceeded the excessive Chargeback threshold will not be moved to the VCMP standard program, regardless of whether its performance drops below the monthly excessive Chargeback threshold.
A Merchant that changes Acquirers and/or countries while identified in the VCMP will be
assigned the equivalent program status with the new Acquirer and/or country if the Merchant has
not exited the program.

Visa may require the Acquirer or its Merchant to deploy appropriate Chargeback or fraud
remediation tools or technologies to address unusual activity in the individual cases identified
through the VCMP.

A Merchant Outlet will exit the VCMP if it is below the program thresholds for three consecutive
months.

1 Program monitoring includes Domestic Transactions and International Transactions for all the following: Australia,
Brazil, Canada, Germany, the United Kingdom, and the United States. Visa may modify this list of markets.

“VCMP High-Risk Program Timeline,” as applicable.

Visa may escalate a Merchant Outlet that causes undue harm to the Visa payment system to the
VCMP high-risk program timeline.

Visa will identify a Merchant Outlet under the VFMP standard program if it meets or exceeds both of the following monthly program thresholds:

- USD 75,000 fraud amount
- 1% fraud-dollar-to-sales-dollar ratio

Visa will monitor a Merchant Outlet identified in the VFMP under the high-risk program for any of the following reasons:

- The Merchant is categorized, or should be categorized, by a high-brand risk MCC, as specified in Section 10.5.6.1, “High-Brand Risk MCCs.”
- For Merchants that are not and should not be categorized by a high-brand risk MCC, the Merchant exceeds the VFMP monthly excessive fraud threshold of both:
  - USD 250,000 fraud amount
  - 2% fraud-dollar-to-sales-dollar ratio
- Visa determines that the Merchant caused undue harm to the goodwill of the Visa payment system.
- The Merchant’s Acquirer is subject to risk reduction measures, as specified in Section 1.10.1.2, “Member Risk Reduction Requirements,” for poor Merchant management practices.

Visa may modify or create new VFMP monthly performance levels.

Monitoring includes all fraud reported by Issuers and all sales Transactions submitted by the Acquirer on behalf of a Merchant Outlet for the preceding calendar month.

Except for certain markets, only International Transactions are included in VFMP monitoring.

A Merchant that is moved from the VFMP standard program to the VFMP high-risk program because it exceeded the excessive fraud threshold will continue to be monitored under the VFMP high-risk program until the Merchant exits the VFMP.

A Merchant that is monitored in the VFMP high-risk program because it exceeded the excessive fraud threshold will not be moved to the VFMP standard program, regardless of whether its performance drops below the monthly excessive fraud threshold.

A Merchant that changes Acquirers and/or countries while identified in the VFMP will be assigned the equivalent program status with the new Acquirer and/or country if the Merchant has not exited the program.

Visa may require the Acquirer or its Merchant to deploy appropriate fraud remediation tools or technologies to address unusual activity in the individual cases identified through the VFMP.

**Effective 1 January 2016**

If Visa determines that an Acquirer, its Third Party Agent, or its Merchant changed, modified, or altered the Merchant name or Merchant data in any way to circumvent the Visa Fraud Monitoring Program (VFMP), Visa may do either or both of the following:

11.1.8.4 Intercompany Chargeback Process for Visa Easy Payment Service (VEPS) and Visa Europe Small Ticket Transactions

For a Visa Easy Payment Service Transaction, Visa will pay in lieu of an Acquirer for a Chargeback received from an Issuer in the Visa Europe Territory if:

- The MCC is invalid for a Small Ticket Transaction in the Visa Europe Territory.
- Visa confirms that the Transaction is eligible for Chargeback under the Visa Europe Operating Regulations.

11.1.9 Chargeback Reason Codes

11.1.9.1 Reason Code Table Format

The Chargeback reason codes are organized in tables to show the applicable Chargeback condition and geographical scope for different rules.

The reason code tables consist of 3 columns. The first column typically shows the applicable Chargeback condition or Representment condition and, for processing requirements, the applicable member message text. The second column contains the rule language and the third column specifies the country or region for which the rule is applicable.

The following conventions apply:

- The word "General" in the first column of the table indicates that the rule may apply to any Chargeback condition for that reason code.
- If a Chargeback condition number is specified in the first column, the rule applies only toChargebacks that are subject to that condition. The rule applies in addition to any applicable rules shown as "General."
The third column shows the country or region for which the rule is applicable, using labels, as follows:
